It has been a huge journey for us to get to this point.
We are proud to offer the Redwood Park, its grounds,
The Barnstay, The Suite and The Woodhouse to our
wonderful couples.

- Gabrielle, Chris & Oscar

Redwood Park Wollombi.

Redwood Park sits 3km from the historical village of Wollombi, in the Lower Hunter Valley. Only 1.5 hours north of Sydney, and 1 hour from Newcastle and the Central Coast, Redwood Park offers a beautiful and private setting for weddings and receptions.

With total on site accommodation for up to 31 people, packages cover either 1 or 2 nights*, so that couples can enjoy their country wedding without stress or pressure.

Redwood Park is an 100 acre property with stunning manicured grounds, and the centre of which is a lake bounded by willows, paperbarks and casuarinas. Carefully landscaped, the property is rich in seasonal colour in autumn and spring. Winter provides the opportunity for romantic fires while in summer our couples enjoy long warm nights. As one of the Hunter Valleys finest wedding destinations, Redwood Park offers a number of locations for the ceremony and post ceremony celebrations.

* Packages include accommodation for either 15 or 17 people at The Barnstay and Bridal Suite only. The Eco Suites are additional.

These include our lakeside pavilion, the canopy of paperbarks or willows overlooking the lake, the pines or our fabulous rolling lawns to name a few. Amidst this relaxed rural setting, for your reception, Redwood Park offers The Woodhouse. A unique purpose designed space with bespoke fittings and fixtures which can be decorated to your personal style.

When the night is over, you and your friends can head over to The Barnstay, a self contained house for 15 and The Suite, a luxurious one bedroom cottage for two.

In June 2025 we will have available for your guests, eight additional luxury off grid one bedroom suites tucked away in an elevated bush setting. These suites will be able to be booked separately and directly by your guests.
